Dear parents/carers,

We are delighted that Haymoor Junior School has been accepted onto a NHS run project called Partnerships for Inclusion of Neurodiversity in Schools (PINS). This project will allow the school to access funded training in specific areas of neurodiversity.

As part of the process of identifying the very best way to use this project to benefit our children, I would like to invite you to share your views by either completing an online questionnaire or by attending an online workshop.

Please see the accompanying correspondence which explains a little bit more about the project and explains how you can share your views.

Thank you very much.

Lucy Waterhouse
