# OPEN EVENING

19 SEPTEMBER 2024

FROM 5:00PM

It is with great pleasure that I extend a warm welcome to you all for our annual Open Evening. We believe the key to a fulfilling life lies in the attitudes that people develop whilst they are young: attitudes to other people and towards challenges and uncertainty. Everything we do is centred on students having a strong sense of self-worth, being actively engaged and working with purpose. Ours is an inclusive, caring

culture where we foster mutual respect and celebrate diversity. High expectations and aspirations remain at our core.

Our mantras are used as a code for daily life in our community:

- Work hard, be kind
- Excellence is a habit
- Empowered by knowledge
- Aspire and achieve

We have a strong and heartfelt sense of moral purpose and want all our students to feel safe and build their capacity for independent thought and learning. When our students leave Magna Academy, we want them to be inquisitive, adventurous, honourable, kind and resilient.

We are proud of our inclusive, academic and extra-curricular offer at Magna, and myself and my staff warmly invite you to come and find out more about this on 19 September.

As they do every year with great pride, our exceptional Student Tour Guides will give you and your child a walking tour of the academy. Please feel free to ask them about their own views on Magna. There will also be activities along the way that your child can enjoy, on our departmental Treasure Trail. Presentations will start at 6:00pm and 6:45pm, giving guests plenty of time to explore the academy - before, between or after the talks.

After your visit, I hope that you will feel well-informed and confident in making the right decision for your family. Of course, I hope that choice will be Magna.

I very much look forward to meeting you.
