

We need your help!

We are seeking the views of all Parents/Carers, and would welcome you thoughts and views through one of two ways...

1: Via our parent/carer survey. This is for all parents of any child who attends this primary school, so that we can understand your views anonymously about school support and inclusion.

The link for the Survey can be found here:

2: Through our virtual parent/carer meeting which is being held on Wednesday 18th September 2024 at 11am for 1 hour. This is hosted by Dorset Parent Carer Council and Parent Carers Together.

Weblink for Teams Meeting can be found here:
