Trust Excellence Aspiration Collaboration Honesty

Article 28: Children have a right to a primary education.

10<sup>th</sup> March 2025

Dear Parent/Carer

The annual school report is a valuable opportunity to share information about your child's achievements and next steps to support their ongoing progress. We provide a written report at this stage of the year as it enables us to celebrate successes and helps us to work in partnership with you to support your child's areas for development over the rest of the academic year.

We also report any results from statutory tests at the end of the school year, and there will be a summer term parent/consultation meeting in July to offer further opportunity to discuss your child's achievements and next steps.

As you know, TEACH Trust schools are now using the Arbor Parent Portal and app to keep you informed about your child's life at school. One of the features of Arbor is that we will be able to send your child's annual report to you electronically as part of a more sustainable, cost-effective communication approach for the school. Your child's report will be available on the portal/app by 14<sup>th</sup> March 2025.

The move to electronic reporting will mean that you can more easily access and save your child's report, as well as offering the option to share it with friends and family who would like to share in celebrating your child's progress.

Thank you, as always, for your ongoing partnership in support of your child's education.

Lucy Waterhouse  
 Headteacher
