<p>Home Learning Task</p>	<p>To revise for the upcoming SATs tests commencing Monday 12th May 2025</p>
<p>What to do</p>	<p>We strongly encourage that you spend this time revising for the upcoming SATs tests. You were given two revision guides to help with this that will need to be returned in June.</p> <p>You may want to set a timer to see how your speed increases, focus on particular question types or complete a mixed range of questions.</p>
<p>Helpful websites and tips</p>	<ul style="list-style-type: none"> • MathsBot - https://mathsbot.com/primary/ks2Mini - This is a free KS2 arithmetic paper generator. These question types are incredibly likely to appear in the arithmetic paper. • SPaG.com – You should have a login in their diary. • TTRockstars - For those that need to a top up on their times table knowledge. • Reading Plus – If you have been using Reading Plus in school, you can also login at home to boost your reading. • YouTube – Full walkthroughs of the 2024 KS2 papers for you and your parent/carer to remind yourselves on how to answer certain question types. • BBC Bitesize KS2 – Lots of videos and activities for SPaG and Maths. https://www.bbc.co.uk/bitesize/articles/zrybvk7#zs82p9q • Continue with your daily reading. • Celebrate the progress that you are making. • Ask your teacher about any areas you are struggling with.
