

Wizard's Box

Within the wizard's box ingredients dance, writhe and glow.

Peace tiptoes in, a serene mist, calming storms with a gentle twist.

Friendship strides in, a loyal, strong knight. His armour gleaming as he defends his keep.

Laughter enters, dancing freely in the moon's soft light. A carousel of joy, spinning its worth.

Love - a garden where tender seeds of affection bloom into a vibrant tapestry of intertwining vines.

Generosity radiates warmth and light without reservation, illuminating the world with its golden touch.

Jealousy is a shadow, creeping silently in the corners of the heart, darkening the light of joy and casting doubt like tendrils of smoke.
