Article 28: Children have a right to a primary education.

Dear Parent/Carer,

We have made arrangements with the UK's leading school milk supplier, Cool Milk, to supply milk at a subsidised cost of just 28 pence per day. If you would like to purchase a daily portion of milk for your child, you will need to visit www.coolmilk.com and register your child. Once registered, you will need to follow the on-screen instructions to pay.

Alternatively, you can ask the school office for a registration form - send your completed form to Cool Milk, and they will send you a payment request.

If your child is entitled to benefit-based free school meals, school shall be funding their milk; however, you will still need to register.

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It is also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

If you would like to register your child for milk, please use the following link [Parents – Cool Milk](#)

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly at customerservices@coolmilk.com or call 0844 854 2913.

Kind regards

Miss Waterhouse
 Headteacher
