### River Building

Dear Parents/Guardians,

We are very excited to welcome the children to Year 6 this September! To help them settle in, get to know their new classmates and teacher, and gain an insight into what they'll be learning this year, we've planned a range of engaging activities for the first two days back.

To launch our Rivers topic, we'll be starting the year with a fun competition. The children will be challenged to build the best river, which we'll test out on the playground. To support this activity, we kindly ask for your help in bringing in items such as milk cartons, plastic bottles, and other suitable materials such as cardboard. We are also in need of bonding materials like Sellotape and duct tape, and some foil rolls for lining the river.

Please send any collected items in with your child on the first day of school, Thursday 4th September, so we're ready to begin the competition.

Thank you for your continued support and cooperation.

Yours sincerely,

Miss Hooker  
 Year 6 Leader
