

Quiet Miracles

Emily Barden

Chorus

Notice the quiet miracles, that seek no attention.

Notice the quiet miracles, that seek no attention.

Verse 1

Ev'ryday people are lighting up the dark.

They're the ones who listen when we call.

Spreading love across the land.

When we fall they lend a hand, unsung heroes daily make a stand.

They care, they love, they go over and above.

Chorus

Part 1

Notice the quiet miracles,
that seek no attention.

Notice the quiet miracles,
that seek no attention.

Part 2

Notice the miracles.

Notice the miracles.

Verse 2

Small acts of kindness, aligning like the stars,
Joining up and shining like the sun.
Showing us the way to be, now that we've begun to see,
The unsung heroes could be you and me.
We care, we love, we'll go over and above.

Chorus

Part 1

Notice the quiet miracles,
that seek no attention.
Notice the quiet miracles,
that seek no attention.
Notice the quiet miracles,
that seek no attention.
Notice the quiet miracles,
that seek no attention.

Part 2

Notice the miracles.

Notice the miracles.

Notice the miracles.

Notice the miracles.
