Article 28: Children have a right to a primary education.

1st October 2026

Dear Parents and Carers,

BCP Council has asked schools to encourage parents and carers to update how their child travels to school, via their child's profile on Arbor.

This anonymous information will be shared with the Council's Active Travel Team to help inform decisions about future investment in walking, wheeling, scooting and cycling infrastructure. By understanding how pupils currently travel to school, the Council can better identify where improvements are needed and support families with a wider range of travel options.

When updating your child's mode of travel, please note:
Important:

- Select one mode of travel only. Please choose the method used most frequently, or for the majority of the journey from the list, which will look like this:
    - Car/Van (including e-vehicles)
    - Walk, Mobility aid
    - Cycle, Scooter
    - Car share (members of more than one family)
    - Taxi
    - Bus (public or school)
    - Train
    - Other
- Do not select multiple options.

Please ensure your child's travel method is updated by Thursday 22nd October.

Thank you for your support.

Yours faithfully

Miss Lucy Waterhouse
Head Teacher
