Monday: Camping (overnight stay)

Tuesday: Camping (return to school)

Wednesday: South Coast Adventures

Thursday: Paulton’s Park

Friday: Splashdown

Purpose of our activities week

Every young person should experience the **world beyond the classroom** as an essential part of learning and **personal development**, whatever their age, ability and circumstances.

Purpose of our activities week

When young people learn outside the classroom they:

- are motivated to learn more and **feel positive about learning**
- become **self-confident**, developing self-esteem and self-awareness
- **work together**, fostering decision-making and **teamwork**
- improve **communication skills** with peers and adults
- are healthier and their sense of **well-being increases**

A chance to mix with each other outside the classroom and finish the year in style!

We will have a dedicated first aider so if your child has particular needs, allergies or medicine requirements, we will work with you to ensure you can get a good night's sleep while they are away!

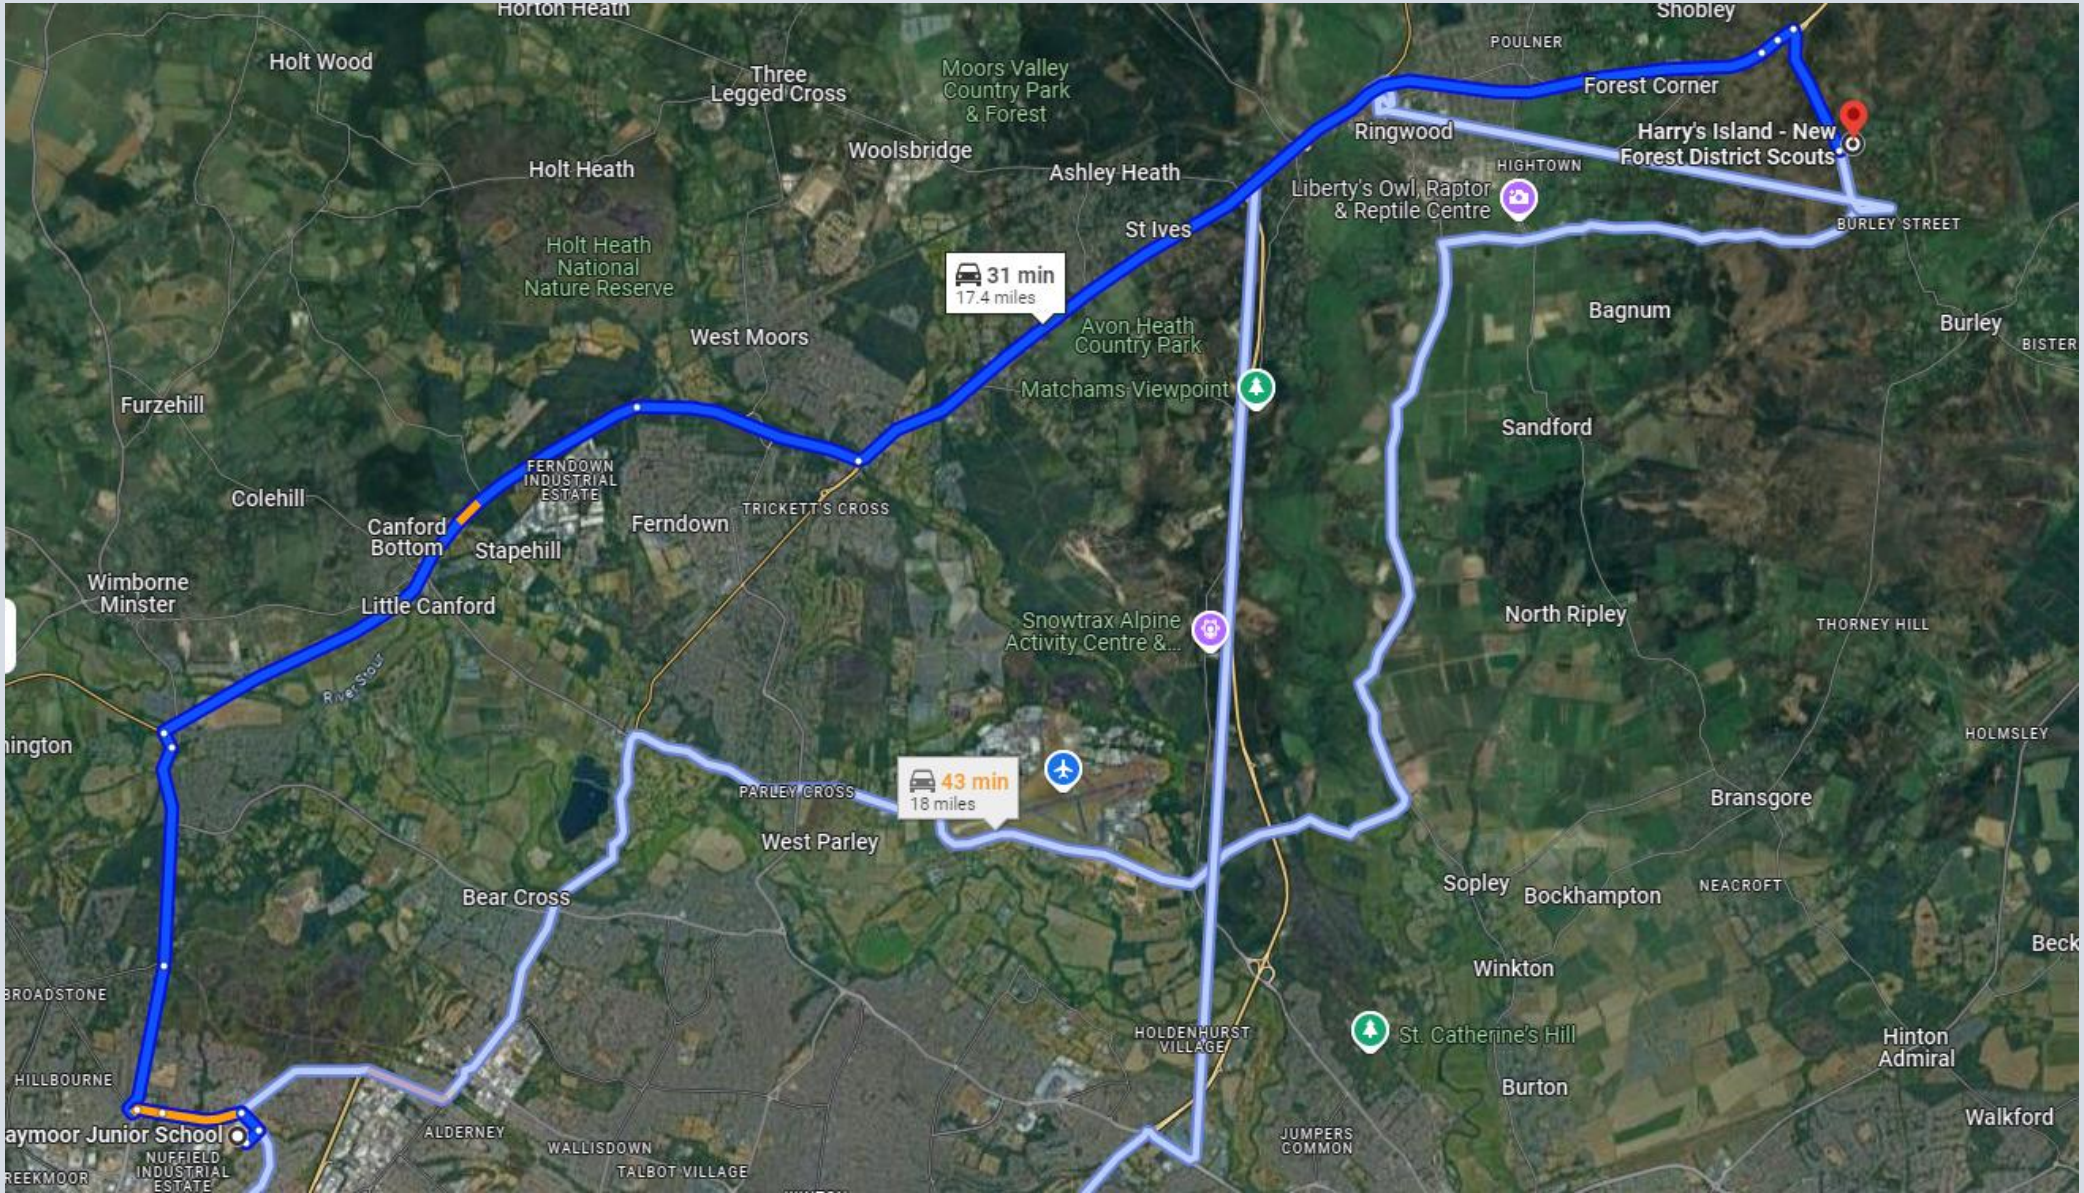

You can talk to any of us about anything that you think we need to know or pop a note in their homework diary.

Staffing

Your children will have school staff members that are familiar to them.

We are the teachers **and** the parents during the overnight stay!
