

Our String Ensemble

We meet every Wednesday after school, from 3.10pm-4.15pm in the music room at Haymoor Junior School. The club is open to all year groups from Haymoor Junior School and Canford Heath Junior School.

Primarily the string ensemble is open to all the children who are having violin or cello lessons in school, however, if your child is very keen to learn the instrument, then they may be able to join.

We perform at different events throughout the year.

The club is run by Ms Stopps and is £20 for 10 sessions.
