When are we going?

Wednesday 19th June-
Friday 21st June

We leave and return within normal
school hours.

Purpose of the visit

Every young person should experience the **world beyond the classroom** as an essential part of learning and **personal development**, whatever their age ability and circumstances.

When young people learn outside the classroom they:

- are exposed to **new experiences**
- **learn in different ways** related to their learning styles
- are motivated to learn more and **feel positive about learning**
- become **self-confident**, developing self-esteem and self-awareness
- **work together**, fostering decision-making and **teamwork**
- improve **communication skills** with peers and adults
- are healthier, and their sense of **well-being increases**

A chance to mix with each other outside
the classroom and
finish the year in **style!**

Who is going on the residential?

Staff:

- ▶ Miss Hooker
- ▶ Mr Ballard
- ▶ Mr Brunton

We have taken children with many diverse needs and all have come back having had a great time!

You can talk to any of us about anything that you think we need to know.

*after tonight's meeting

*nearer the time (we will of course take with us any medication that your child is taking)
