Evolution and Inheritance Experience

Dear Parents/Carers,

On Friday 9th February 2024, we have arranged for Year 6 to visit an interactive dome, brought to our school and run by Simon Ould, which will really bring what has been covered in our science lessons – evolution and inheritance - to life!

In order to allow the children to maximise their time in the dome, we have booked the dome for the whole day, and are therefore asking for a voluntary donation of £4.90 per child to cover the cost of having the dome in school and for Simon's expert knowledge.

Each class will have a full-length session inside the dome, where they will be able to learn about Darwin; how humans have evolved over time; the genes they have inherited and much more. Between presentations, the children will have a question and answer session with Simon, which will allow them to ask any burning questions that they might have.

To acknowledge receipt of this letter and make a voluntary contribution of £5.06 please log onto your child's schoolgateway account and pay your contribution by selecting Evolution and Inheritance Experience visit by Friday 2nd February 2024.

This is a fantastic opportunity for the children and will really support their learning, and is an experience that they won't forget!

Many thanks,

Miss Hooker
Year 6 Leader
