### Rocking and Rolling Hook Day

Dear Parents/Guardians,

We are thrilled to announce that this half term, we are launching our *Rocking and Rolling* topic with an exciting fun day filled with activities. These include constructing earthquake-proof houses from recycled materials and crafting our own miniature planet Earths using Rice Krispies.

To make this event a success, we kindly request your assistance in providing recycling items such as toilet paper tubes and cereal boxes for the children to use in their junk models. Additionally, we will be using Rice Krispies, food colouring and marshmallows to fashion our Earth models, which the children will have the opportunity to eat!

Understanding that some children may have allergies, we will be prepared with alternative options. To help us ensure everyone's safety and enjoyment, please complete the attached slip to confirm any allergies your child may have, including those we are already aware of.

Kindly return the reply slip by **Wednesday 21<sup>st</sup> February** and notify us if your child requires any special dietary accommodations.

Thank you for your cooperation and support.

Yours faithfully

Miss Phillips  
 Year 3 Year Leader
