Article 28: Children have a right to a primary education.

9<sup>th</sup> February 2024

Dear Parent/Carer,

We will be starting our very exciting 'Ice Trap' topic next half term and to kick start it we are going to have a survival day! On **Wednesday 21<sup>st</sup> February 2024**, the children will be taking part in a variety of outdoor activities. They will be looking at some of the skills Ernest Shackleton had to draw upon to survive his famous Trans-Antarctic Expedition of 1914.

We would appreciate it if, on this day, the children come to school in **warm** clothes **suitable for getting dirty and wet**. Please could we also ask that they also bring a change of clothes in case of wet weather.

### Planned Activities

- Camp fire/Supervised fire lighting using a fire steel
- Base Building
- Obstacle Course
- Team building

**Please acknowledge receipt of this letter by going onto the school gateway system online by Friday 17<sup>th</sup> February 2023 to give consent for your child to take part in the fire lighting activity.**

We are really looking forward to the day and hope it is an experience the children will remember for a long time to come.

Yours faithfully,

Mike Thompson  
Year 4 Leader
